

## Golfing In Orlando

For twelve months of the year the golfing enthusiast will find Florida golf courses open and challenging. From May through to October the golf courses are never crowded, you can pick your tee time and be assured of a leisurely round. Many private courses are also open to the public during these months. New and improved facilities and packages make Florida one of the top choices for golf enthusiasts. Golfers flock in droves to Florida to tee off and interest is continually on the increase.

The National Golf Foundation's latest study of travelling golfers shows that Florida also continues to be America's most popular golf destination. Whatever their ability level golfers find greens being built, renewed and raked

throughout the sunshine state.

Orlando has many courses from which to choose and these courses have been designed by some of the greatest minds in golf today. They are guaranteed to offer players something for every skill level and whether you are a beginner or an advanced player you will enjoy your golf vacation.

After spending time at Orlando's great attractions, a game of golf is just what you need to unwind, relax and enjoy yourself. Below we have a map and list of top golf courses in the area through which you can take a leisurely browse.
